

MOVIE SHARER

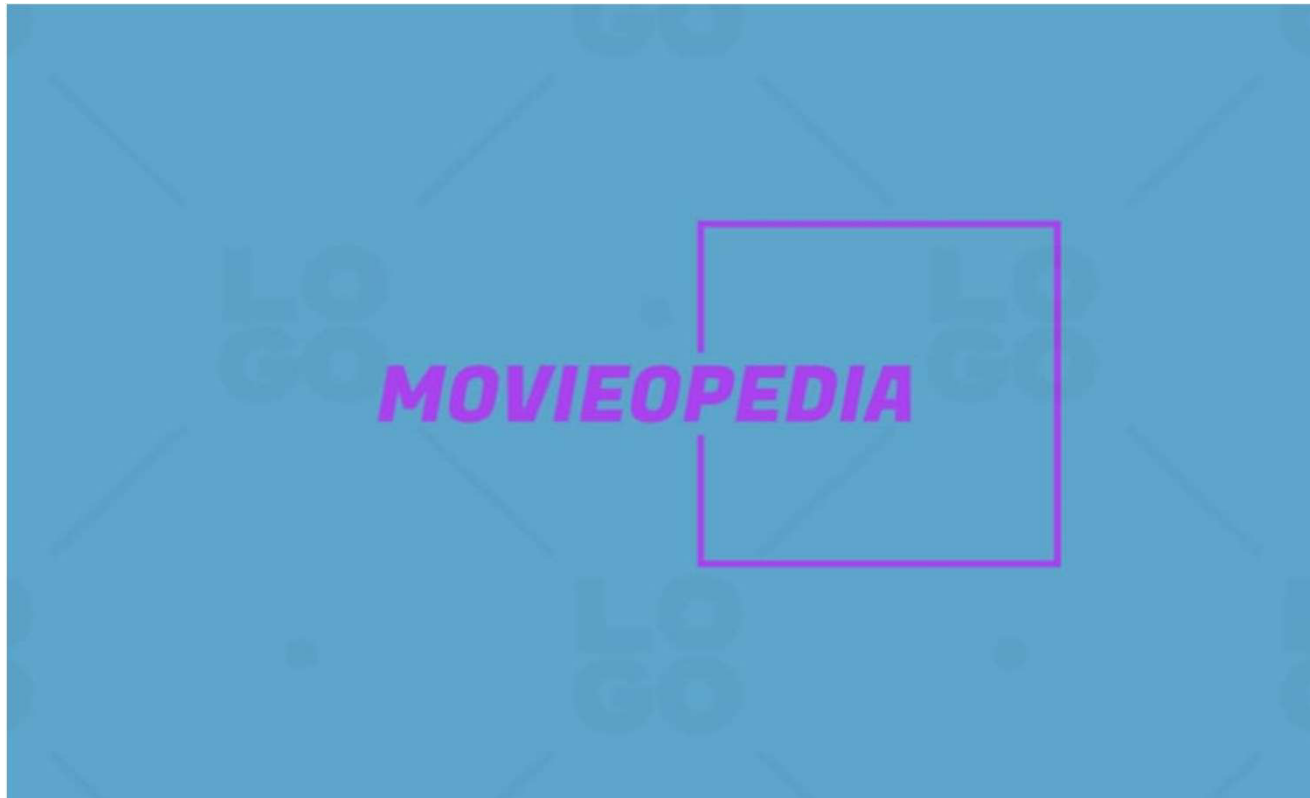

PROBLEM STATEMENT :

- **Design a recommendation and sharing tool that recommends movies with similar characteristics and shares its corresponding download source with other individuals/users. Multiple users can use this to find movies so that the same movie need not be downloaded multiple times among friends.**

SOFTWARE USED:

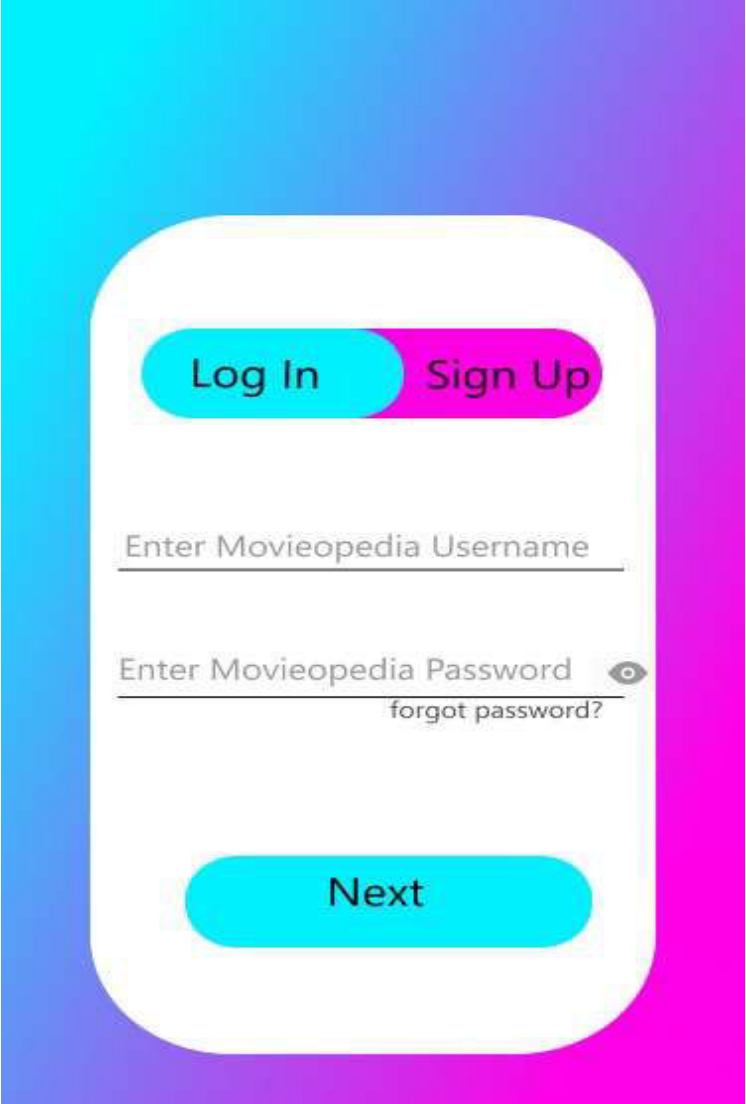

- **Figma**

LOGO

LOGIN PAGE

- The user has to enter their username and password to login (if they already have an account)
- If they forgot their password they can use the “forgot password?” option to login using an OTP.

A login page UI mockup with a blue-to-purple gradient background. It features a white rounded rectangle containing a toggle switch for 'Log In' (blue) and 'Sign Up' (purple). Below are input fields for 'Enter Movieopedia Username' and 'Enter Movieopedia Password'. The password field has an eye icon and a 'forgot password?' link. A blue 'Next' button is at the bottom.

Log In Sign Up

Enter Movieopedia Username

Enter Movieopedia Password

SIGN IN PAGE

- If the user is new they can create an account by filling up all the details in the sign up page.

Log In Sign Up

Enter Name

Enter Phone Number

D.O.B

Enter Mail

Enter Movieopedia Username
(*Movieopedia Username should only start with special character: "@")

Enter Movieopedia Password

Re-Enter Movieopedia Password

Sign Up

CONFIRMATION PAGE

- The security code that has been sent to your mail id should be entered to log in.

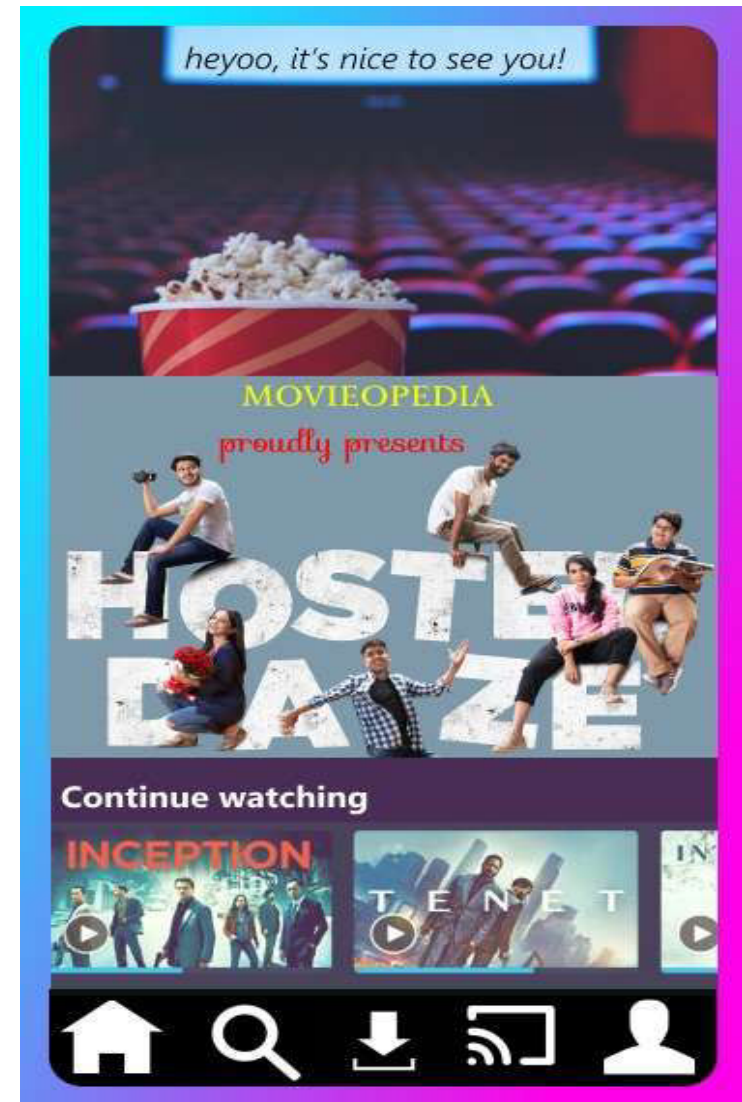

The image shows a mobile application interface for a confirmation page. It features a white rounded rectangle centered on a blue-to-purple gradient background. At the top of the white area are two buttons: 'Log In' (blue) and 'Sign Up' (purple). Below these is a purple text input field with the placeholder text 'Enter the security code send to your registered email id'. To the right of the input field is a small eye icon. Below the input field is a 'Resend code' button (purple). At the bottom of the white area is a large blue 'Log In' button.

PAGE LAYOUT

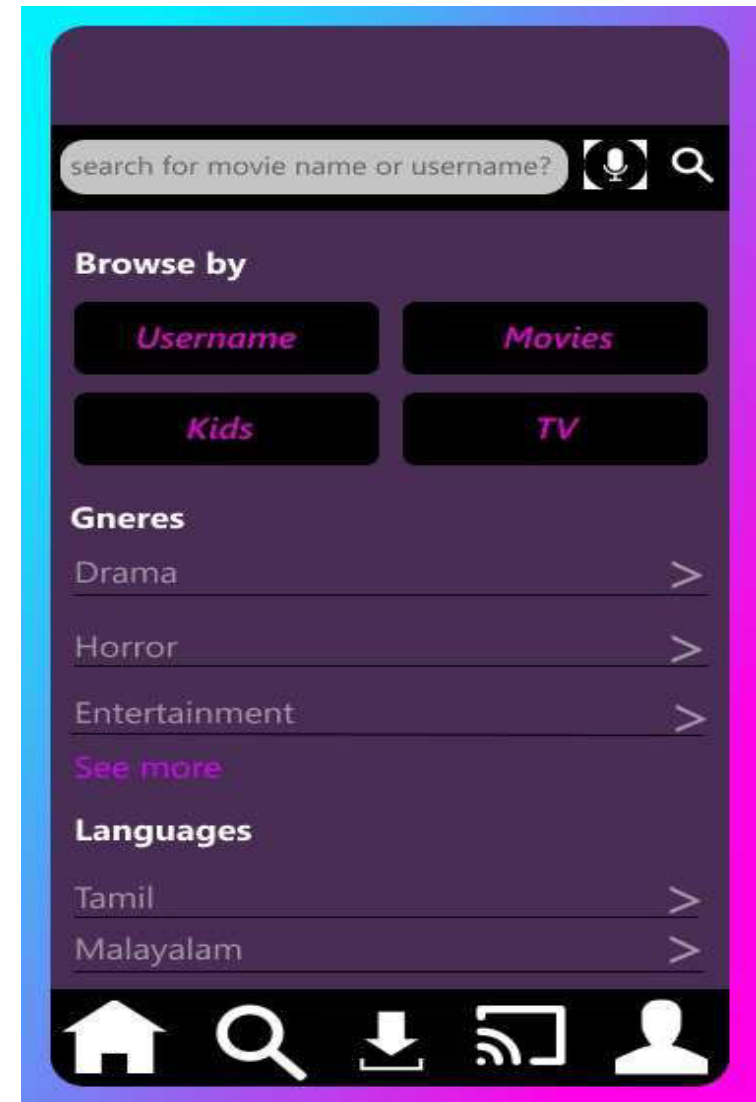

HOME PAGE

- All the movies that are trending and of your interest will be shown here in the home page.
